### THOUGHT FOR THE DAY

The gems of truth that fell from Christ's lips on that eventful day were treasured in many hearts. For them new thoughts started into life, new aspirations were awakened, and a new history began. After the crucifixion and resurrection of Christ, these persons came to the front, and fulfilled their divine commission with a wisdom and zeal corresponding to the greatness of the work. They bore a message that appealed to the hearts of men, weakening the old superstitions that had long dwarfed the lives of thousands. Before their testimony human theories and philosophies became as idle fables. **Desire of Ages, p. 620**
